Once again, Mayor Gerald D. Jennings is proud to bring the DuramedFUTURES Tour back to Capital Hills at Albany.

The DuramedFUTURES Tour Championship marks the 4th year that we will host the season ending event and hope to build on the tremendous success we have had during the first three years. We also welcome the Golf Channel to Albany who will be here to film Sunday's final day action.

This is your chance to team up with a DuramedFUTURES Professional in a scramble format and enjoy a spectacular day of golf accompanied by dinner and awards afterwards.

This years theme "The Road To The LPGA Ends In Albany" signifies the importance of the 2009 tournament. Five female players will receive their official 2010 LPGA Tour cards on Sunday afternoon at Capital Hills after the 2009 Champion is crowned. The top five money winners on the tour receive exemptions onto the LPGA Tour as they continue their quest to the top levels of Women's Golf.

Check out 2009's exciting new line up of events!

What should not be lost in the host of activities for the week for client entertainment is that the Duramed FUTURES Tour has a long and distinguished history in the Capital Region for more than 20 years. Since 1989 more than 3 million dollars has been raised throughout the country for local charities. This years tournament will again benefit the Albany Police & Fire Foundation and it's educational endowment.

We look forward to seeing you once again this year!
